The past few months in Mudgee have been extremely busy with Wine festival in September. Our annual twilight tastings were a sell out with many people each week on a waitlist. The visitors through the door were plentiful and it was a very pretty time to see Mudgee with our garden in full bloom. To top it off we did extremely well at the wine show dinner winning many awards including top trophy for our 2004 Old Block Shiraz. We have returned from wine festivals in Balmoral, Manly and Avalon. Our wines are fast gaining a great reputation in this area and we have had some requests from some top restaurants to stock our wines. It is also great to see so many of the people that we met at these events visiting our cellar door. Even though it has been hot up here compared to last year our crops are looking a million dollars and the year ahead is looking very promising. We look forward to seeing you all up in Mudgee soon, come in and say hello. Merry Christmas to you and your families and thank you for your great support this year.
